**NOTICE OF SATISFACTION OF AMENDED JUDGMENT  
AND REQUEST FOR RELEASE OF BOND AND FOR DISMISSAL**

On September 27, 2021, the Fifth Circuit issued a Mandate and remanded the case to this Court. On March 31, 2022, the District Court entered its Amended Final Judgment (“Judgment”) in the above-styled and numbered cause (the “Lawsuit”).<sup>1</sup> In the Judgment, the Court determined that Plaintiff was entitled to additional own occupation benefits in the amount of \$291.85, plus \$.08/day in interest after crediting the amounts previously paid by Defendant.

The Court stated that upon receipt by Plaintiff of the deficiency owed on the portion of the Court’s Judgment pertaining to own-occupation benefits, the Court will direct the clerk to release Defendant’s supersedeas bond and dismiss this action without prejudice to a future challenge against Defendant’s any-occupation benefit determination.<sup>2</sup> Attached as Exhibit A, is a true and correct copy of the hand-delivery receipt to Plaintiff’s counsel of the \$291.93. As such, Defendant requests that the Court release Defendant’s supersedeas bond, dismiss this action without prejudice, and award Defendant such other relief to which it is entitled.
